

Hereford Beautification Advisory Board

Brick Campaign

The Hereford Beautification Advisory Board is sponsoring a Brick Campaign. Our aim, in association with the City of Hereford, is to create new crosswalks in the downtown area. The goal is to encourage the community to also be involved. By purchasing a brick with your engraved text and clipart you will be helping us revitalize our downtown area.

Thank you for participating in this endeavor.

Cathy Bunch

Office of the Mayor

Hereford, Texas
